- Rep. Rick Womick has invited me to meet with him tomorrow to discuss funding for our drug court.
- DNJ did a good article about our Drug and DUI Court program this past Sunday. Have received excellent response from that.
- The 10 week A&D Intervention Class has brought in \$14,872 so far this year. Our DUI Court program has brought in \$1,765.
- The Workcenter and Drug Court are working with OIT to set up communication and video between us so that we can teach our classes out at the Workcenter. We are also going to be sending our participants who are being sanctioned to the Workcenter to be put in their Sanctions area. The participants will not miss any treatment while they are out there.

Respectfully submitted,
